

Iwi updated on Whakatōhea's settlement

Whakatōhea Iwi members gathered at the Ōpōtiki Senior Citizens Hall to hear an update from the Whakatōhea Pre-Settlement Claims Trust on the progress of the Whakatōhea settlement process to now.

The update is following the Pre-Settlement Trust's 2nd round of hui held at several locations across the motu.

Iwi members were able to take part in discussions regarding the structure of negotiations.

The update hui also provided an opportunity for individuals who attended, to workshop considerations for Whakatōhea's future and put forward any queries and questions to the Pre-Settlement Trust.
