1.1.1. The diagram below sets out the proposed structure for the Pre-settlement Trust:

1.1.2. **By way of summary of the diagram:**

- The Whakatōhea Iwi is a collective of hapū who represents the views and interests of all Whakatōhea members no matter where they reside.
- The Whakatōhea Iwi represents both registered and non-registered members of Whakatōhea.
- The Pre-settlement Trust will be representative of, and accountable to, the Whakatōhea Iwi (through ngā uri, hapū and marae).
- The Pre-settlement Trust will comprise hapū and marae Trustees and one member from the Trust Board.
- The Whakatōhea Claims Committee will comprise representatives of hapū, named WAI claimants and members of the Kaumātua Kaunihera. This Committee will provide non-binding advice and recommendations to the Pre-settlement Trust.
- The Pre-settlement Trust will appoint, and monitor the performance of negotiators.
- The negotiators will negotiate directly with the Crown (primarily the Office of Treaty Settlements and also Te Puni Kōkiri and other Crown agencies) for the settlement of the Historical Claims.
- The diagram is aligned to the *Concept of Pre-Settlement Claims Structure* described in Appendix A of Te Ara Tono.
